MEDICAL MATERIEL

Hazardous Materiel Management

While there are some common elements in the hazardous materiel program, many of the requirements are generated by local, state, and host country governments. Your local hazardous materiel pharmacy has a great deal of leeway in establishing a base program to meet these requirements. **Attachment 3** addresses the common core elements of the program. (HQ AFMSA/SGSLP, Mr. Ray Flores/Capt Martin, DSN 240-4126)

384th Training Squadron Update

Individuals attending Supplemental Medical Materiel Craftsman classes, course number J3AZR4A171-003, need to bring the following:

First 20 pages of the current monthly Stock Status Report PCN SI008-Y08

* BMSO/BAFO Financial Reconciliation
PCN: SI008-Y04

* MEMO/BAFO Financial Reconciliation
PCN: SI008-Y09. This report is also part of the quarterly product, Report of Medical/ Nonmedical In-Use Equipment.
RCS: AF-SGS(Q)7135

* Base Inventory Management Report
RCS: HAF-SGS(M)8503

* Medical Materiel Management Report
RCS: HAF-SGS (M) 7136. This list comes from finance. Make sure you bring

the monthly report which includes lines 12 through 14.

NOTE: Please ensure the listings identified by an asterisk are from the same end-of-month processing cycle.

These reports are a very important part of the course. It is highly recommended that students have the opportunity to practice working these listings prior to attending the course.

Class uniform is BDUs or blues. Your service dress coat is not required. The class is held in building 1900, corridor J, room 1087. Class hours are 0700 - 1600.

This information should be retained by supervisors for future reference. (384th Training Squadron, MSgt Hardie, DSN 736-6909)

Graduate Assessment Surveys (GAS)

Please review the AFMLL 24/25-95 article addressing the Graduate Assessment Surveys (GAS) and their importance. Many surveys are returned with few or no comments. Though comments are not required, they are extremely important in helping us direct future courses. We initiate follow-up with graduates scoring below satisfactory on these surveys. Graduates scoring satisfactory or above are not contacted, but it would still be helpful to receive in-depth supervisor comments about those graduates. (384th Training Squadron, MSgt Hardie, DSN 736-6909)

Medical Materiel Apprentice Supervisor Survey

The Standardization and Evaluation office at the 882nd Training Group, Sheppard AFB TX, is requesting completion and return of the subject survey. This survey is periodically accomplished to determine the value and success of the Apprentice Course. The information obtained from the survey is used to make training decisions. If you have received one of these surveys, please complete it and return as soon as possible. We appreciate your effort in returning the survey in a timely manner. (384th Training Squadron, MSgt Hardie, DSN 736-6909)

Current Status of Decentralized Blanket Purchase Agreements (DBPAs)

Pages 1 through 63 of **Attachment 4** contain the quarterly updated list of DBPAs. Pages 64 through 67 contain an alphabetic cross reference for the current DBPAs, while pages 68 through 72 provide a category reference. A Routing Identifier Code (RID) list is included as pages 73 through 75.

Agreement Modifications

A copy of the modifications listed below are provided on pages 88 through 94 of **Attachment 4**.

(SPO200-96-A)

<u>DLA-120-96-A</u>	<u>Vendor Name</u>	<u>Mod for</u>
9116	Loral Microwave-Narda	Canx
9221	Medline Industries	"Remit to" address
9310	Chatsworth Medical Supply, Inc.	"Remit to" address
9334	PSS-Brown's Medical	Address change
9367	Medical Supplies Spec. Inc.	Address change
9475	Source, Inc.	Address change
9490	CHI Associates	Name change

New and Renewed Agreements

DD Forms 1155 are provided on pages 76 through 87 of **Attachment 4**. To use the DBPA, copy pages 2-22 of the basic agreement from AFMLL 23-94 and combine with these DD Forms 1155. Newly negotiated agreements are:

<u>SPO200-96-A</u>	<u>Vendor Name</u>	<u>RIC</u>
9002	C.R. Bard, Inc.	LCA
9391	Sherwood-Davis & Geck	LYL
9411	Richard's Medical Equipment, Inc.	LQO
9420	General Medical Corp.	LGK

You Asked

Q. Are we required to use the transshipment points for overseas shipments?

A. The DBPA does not state you must use the transshipment points (i.e. Mechanicsburg or Tracy). Defense Personnel Support Center (DPSC) requested we use transshipment points because aerial ports were receiving shipments without proper air clearance. You can authorize vendors to ship directly to an aerial port (i.e. Dover, Travis, etc.) as long as proper air clearance has been obtained.
